**AFFIDAVIT IN SUPPORT OF AN APPLICATION FOR A
CRIMINAL COMPLAINT AND ARREST WARRANT**

I, Michelle A. Harmon, a Special Agent with the Federal Bureau of Investigation (“FBI”), being duly sworn, depose and state as follows:

INTRODUCTION

1. I have been employed as a special agent with the FBI since 2000. I am currently assigned to the Detroit Field Office, Macomb County Resident Agency. As part of my official duties, I investigate crimes involving the sexual exploitation of minors, including criminal offenses pertaining to online enticement and the illegal production, distribution, receipt, and possession of child pornography. I have received training in the proper investigative techniques for violations pertaining to child pornography and child exploitation. I have conducted and assisted in numerous child exploitation investigations, to include undercover operations to identify and locate individuals who seek to engage in sexual activity with minors, and have executed search warrants that have led to seizures of child pornography. I have also received training in computer systems, computer networks, and mobile devices. Moreover, I am a federal law enforcement officer who is engaged in enforcing criminal laws, including 18 U.S.C. §§ 2251 and 2252A, and I am authorized by law to request a complaint and arrest warrant.

2. This affidavit is submitted in support of an application for a criminal complaint and arrest warrant for Cory Terry (DOB: **/**/1997) for violations of 18 U.S.C. §§ 2251, 2252A(a)(2), and 2422(b) – sexual exploitation of children, receipt of child pornography, and coercion and enticement of a minor to engage in illicit sexual activity.

3. The statements contained in this affidavit are based in part on information provided by U.S. federal law enforcement agents and state and local law enforcement officers; written reports about this and other investigations that I have received, directly or indirectly, from other law enforcements officers; information gathered from the service of administrative subpoenas; the results of physical and electronic surveillance conducted by law enforcement agents; independent investigation and analysis by law enforcement agents/analysts and computer forensic professionals; and my experience, training and background as a Special Agent. Since this affidavit is being submitted for the limited purpose of securing a complaint and arrest warrant, I have not included each and every fact known to me concerning this investigation. I have set forth only the facts that I believe are necessary to establish that Cory Terry has violated 18 U.S.C. §§ 2251, 2252A(a)(2), and 2422(b).

BACKGROUND OF INVESTIGATION

4. On July 20, 2022, the Clinton Township, Michigan Police Department requested assistance from the FBI Detroit Division, Macomb County Resident Agency, with an investigation involving an adult male from Indiana that engaged in sexually explicit communications with a minor female victim (hereafter “MV”), who is an 11-year-old girl born in December 2010, on the Discord social media application.

5. I reviewed the information provided by Clinton Township Police Department, which included Discord chat messages obtained by search warrant, and observed sexually explicit conversations between username xxlethaltacoxx#**69 and MV (username villxch#****) between April 9, 2022 and April 26, 2022. Additionally, xxlethaltacoxx#**69 coerced and induced MV to send sexually explicit material.

6. The following are some of the chat conversations I observed in the message logs obtained from Discord via search warrant (*Note: each message segment is read from the bottom up*):

According to the filename, the video was recorded on April 10, 2022.

I reviewed the records provided by Google, which show the subscriber to exteel*****@gmail.com is Cory Terry, date of birth **/**/1997, phone number 317-809-****.

12. An open-source Internet query for IP address 50.90.***.**, the most frequently used IP address during the time Terry was in communication with MV, resolved to Charter Communications. On July 22, 2022, an FBI Administrative Subpoena was served on Charter Communications for information pertaining to the IP address.
